IDENTIFIERS Phrasal Verbs; Prepositional Verbs

ABSTRACT

This bibliography, which deals with phrasal and prepositional verbs in English, consists of three sections. The first section cites linguistic studies, while the second lists relevant articles. The third section cites textbooks that deal with the problems of teaching English verbs. Entries include both American and European publications, and most have been published since 1960. (CLK)

* Documents acquired by ERIC include many informal unpublished *
* materials not available from other sources. ERIC makes every effort *
* to obtain the best copy available. Nevertheless, items of marginal *
* reproducibility are often encountered and this affects the quality *
* of the microfiche and hardcopy reproductions ERIC makes available *
* via the ERIC Document Reproduction Service (EDRS). EDRS is not *
* responsible for the quality of the original document. Reproductions *
* supplied by EDRS are the best that can be made from the original. *
